

ICE Out of Berwyn

**1000 WESTLAKES DRIVE, BERWYN
TE SCHOOL DISTRICT
Tell YOUR FRIENDS, Tell YOUR NEIGHBORS!!!!**

Early this week, ICE signed a contract with Accesso to lease the Building at 1000 WESTLAKES DRIVE, BERWYN.

Their website is <https://accessopartners.com/property/1000-westlakes/>, and contact details are provided there to express (politely and peacefully!) disagreement with the decision to rent office space to ICE. Consider contacting (politely and peacefully!) the other tenants in the building to let them know about their new neighbors, especially if you happen to have a personal connection.

Note: Accesso has said that this office is for ICE Administration and Legal Facilities. We are not sure exactly what they are doing there, but it is office space rather than a detention center.

Also consider contacting <https://www.jll.com/en-us/> the company that secured the lease. There will be an Indivisible Chester County protest against them on March 4th.

PLEASE NOTE: This BUILDING IS DIRECTLY ACROSS THE STREET FROM AN UPCOMING SCHOOL BUILDING SCHEDULED FOR USE BY TE SCHOOLS IN 2027. Is this how you want your community to exist? Will your tax dollars, school tax dollars, and your Real Estate Investment in your community be negatively affected by this unwanted tenant of Berwyn???

What can you do?? Call or write your State Representative, Your State Senator, Melissa Shusterman **(484) 200-8260**, Carolyn Comitta **(717) 787-5709**, the leasing group, Accesso **(844) 330-1818**. U.S. Rep. Chrissy Houlahan **(610) 883-5050**, Use <https://5calls.org/> to find your reps.
